

DANIEL'S VISION

Daniel (Belteshazzar) was one of the prophets' whom God chose to reveal many of the end-time events to. However, Daniel himself did not understand much of what he received. The reason given was that these divine messages were for "thy people in the latter days: for yet the vision is for many days." What we are told is that most of these revelations involved the principal governments and rulers that would one day come forth to rule and reign over the Earth. In other places in the Bible we find that God calls the "last day" system of governments "Mystery Babylon." Although, the very last ruler (**the little horn/eleventh horn**) who comes forth at the end of the Church age, will ultimately destroy this unified Babylonish worldwide governmental system. In its place he will proclaim himself as **supreme leader** of what remains of not only the world's religions, but the world governments as well. I believe this **one man** will ultimately be possessed by Satan himself and used to hunt down Christians using **Gog's military might** (Rev 13:12). I believe he will be the presiding **Pope** (the "**False Prophet**") at that time, and will rise up shortly after **Gog** goes forth destroying nations.

It's plain to see that all these visions and dreams seemed to concentrate on the last of these governments, and in particular the last of these rulers who is to rule over a rebellious and GOD hating world. In other words, men will have become completely given over to their beastly/soulful natures (**666**: the number of **man to his fullness**, i.e., **6+6+6**) by the time the last of these kingdoms is fully "setup" (Dan 12:11). It seems GOD even began to show some of these end-time truths to king "Nebuchadnezzar," and as such, Nebuchadnezzar's dream is included with Daniel's visions in this very brief but informative study concerning the last-day government(s) of mankind.

Dream #1: The Image of Gold, Silver, Brass, Iron, and Clay Mixed

In Daniel chapter two, King Nebuchadnezzar was given a dream that was very similar to the two visions GOD gave to Daniel shortly thereafter. The reader will notice that these dreams and visions were all showing the same situation, yet each used different perspectives and types to relay the same messages. One of the reasons for the apparent anonymity of this revelation has to do more with keeping these things "sealed till the time of the end" (Dan 12:9). Therefore, if we believe we are now at that time in biblical history, we must also believe or expect GOD to loose the meanings of these dreams and visions in their fullness to "those upon whom the ends of the world (age) are come." For it seems we are now at 2-seconds before spiritual "midnight" bursts forth upon the earth.

The first image that king Nebuchadnezzar saw consisted of four parts, each of which represented one of four diverse kingdoms and the rulers that were to rule the Earth at some later point in time. Since the first three of these four governments have already been expounded on greatly throughout the years (those being the kingdoms of ancient Babylon,

Medo-Persia, and Greece), this study will only concentrate on the fourth, and in particular the leader of that fourth kingdom referred to as "the little horn with eyes and a mouth" that is spoken of in Daniel 7:8. Howbeit once we actually get to Revelation 13, this "little horn" metaphor is redefined as the **beast** from "the earth." Then later on he becomes the "eighth horn" after he removes three of the first Ten:

"I considered the horns, and, behold, there came up among them another **little horn**, before whom there were three of the **first horns** plucked up by the roots: and, behold, in this **horn** were eyes like the eyes of man, and a mouth speaking great things." Daniel 7:8

In Daniel chapter 2, Nebuchadnezzar's dream reveals that the fourth kingdom would begin as a "divided kingdom." This kingdom which was actually conceived in Rome, became divided (the start of the image's two legs) when Constantine defeated the Roman emperor Licinius, after which he began his own dynasty in Byzantium later renamed Nova Roma (New Rome). This was then subsequently renamed Constantinople or what we call present day Istanbul in Turkey. This battle effectively split Rome into what was called back then "the two cities built on seven hills," or more commonly, the "Eastern" and "Western" empires. This war (in type) began to manifest the image's two legs of iron, and from that point on the descendants of these two "east-west" camps continued to form the two legs of the image.

These legs are presently manifesting the **feet kingdoms** of the image. Next will follow the **ten toes (ten horns/kings)**, which will at some future point agree to unite their power and governments as one super **united world power** during the **great tribulation**. However, we are told that ultimately one man will control this confederacy through "**great wonders**," "**lying signs**," and even **super natural miracles**. However, he will first have to defeat most of the freedom loving present day democratic (modern day Babylonian) governments to do that. The horns or ten kings will then yield their newly achieved power over to this "**Little Horn**"/"**King of Fierce Contenance**"/"**Vile Person**"/"**Falling Star**" (Rev 9:1, not Rev 8:10, that's America) with the key to the pit/"**Beast from the Earth**"/"**False Prophet**"/"**Man of Sin**"/"**Son of Perdition**" whom Satan will give his power and authority to. Historically these two opposing leg camps (east & west) began to form their own political, spiritual, and economic alliances as they developed throughout the centuries. Whereas today we can broadly group these two camps into some more recognizable alliances using historical records and names we would probably all be a little more familiar with:

Western vs. **Eastern** legs of the image (listed going down to the toes):

- Rome vs. Constantinople (the start of the legs)
- Roman Catholicism vs. Eastern Orthodox Church
- Christianity vs. Islam
- Democracy vs. Communism (presently the clay & iron trying to mix)
- **United one Word Power** (the **Toes: Gog's confederacy**/the **1st beast**: Rev 13:1)

Presently we find ourselves in the time of the intermingled feet kingdoms, and what we see happening in the world is what was prophesied to come. Countries like the United States, Great Britain, Canada, France, Spain, etc., are all linked by their Christian heritage regardless of their present day politics. These nations along with others represent at least symbolically part of the potter's clay in the foot of the western alliance. Although very soon some of these clay neighbors are going to side with the iron (communist) counties for both political and financial gain. Now if some of you Americans are wondering why I have also colored the western references brown, it's because "the West" has so perverted her doings as of late that I see she is just as cardinally minded in the things of GOD as those who believe they are commanded by god (Allah) to cut off your head.

So what does "**clay**" represent in the Bible? Well, we know clay is known to be soft, pliable, moldable, impressionable, and very flexible. In essence, clay type nations allow certain freedoms and liberties that other forms of iron curtain nations would never tolerate. The Bible even refers to Christians as "the clay in the potter's hands." In contrast we see the communistic and Islamic (Muslim) faith nations symbolically represented by the "iron" in the image's feet, as nations of hardness, intolerance, unyielding rigidity, and inflexible Christian hating legalists. Therefore, nations like Iran, Syria, N. Korea, Cuba, Libya, Russia, China, etc., represent some of the iron in the eastern foot alliance. Then you have nations like Turkey, Iraq, Saudi Arabia, Yemen, and other democracy leaning iron type countries that represent some of the **iron** in the western foot alliance. Presently we see some of these iron type governments trying to join with their western clay neighbors to help defeat the hard-line radicals in their midst. Those who are even now threatening world peace with their nuclear and biological aspirations for world dominance. Nevertheless, the Bible tells us these present day alliances will not last for long because they just do not mix very well (Dan 2:43).

Currently we see many of these multinational kingdoms starting to unite in both the East and the West camps for the sole purpose of eliminating or controlling the other's actions (i.e., "nation against nation, kingdom against kingdom"). After some of these lesser battles have taken place is when the **great tribulation** actually begins. This is when the **"ten toes" (kings/kingdoms)** will become fully formed (Mat 24:7-28; Rev 17:12; see The **Great Tribulation** Period page). At the same time that these ten toes/horns are beginning to unite, which takes place during the **"midnight"** time period, it says an **eleventh** (the **little horn** spoken of in Daniel 7:8) will arise. As stated earlier, I believe this horn/person can only be whoever is the Catholic Pope at the time because of the administrations he performs ("lying signs and wonders": 2-Thess 2:9, commanding **worship** of the beast/Satan: Rev 13:12, and attacking the true saints of GOD: Rev 13:15). There is also the historical past of the Catholic church one must look at where they felt it was their duty to murder millions of so called "heretics"/saints (Rev 17:6) not only during the Inquisition, but during its inception in ancient Rome as well.

https://en.wikipedia.org/wiki/Inquisition#Roman_Inquisition

The **10-toes/horns/rulers** are present day leaders who have at least some level of political or governmental authority, yet they will not be appointed to "rule" (as subordinates) in the new world order until the last **head/ruler/beast leader** arrives. I believe each of these horns is listed in Ezekiel 38 as, **Meshech (Caucasus; Russia, Georgia, etc.)**, **Tubal (Armenia; Kutaisi)**, **Persia (Iran)**, **Ethiopia (Ethiopia)**, **Libya (Libya, Egypt)**, **Gomer (Turkey)**, **Togarmah (Northern Iraq)**, and the three that are removed (Dan 7:8; 7:20; Eze 38:13) would be **Sheba (Sudan)**, **Dedan (United Arab Emirates)**, and the merchants of **Tarshish (Spain)**. Apparently the guilt and or nationalistic pride of these last three nations, including their wealth, will prevent them from swearing over their total allegiance to the little horn, so they shall be **removed** (taken over). It would also seem that if this **"little horn"** who is the **2nd beast** in Revelation 13:11 is to start his whole-sale slaughter of Christians, Jews, and anyone else that would stand in his way, he would most certainly need to remove any conscientious objectors to such wholesale slaughter.

GOG'S (first) CONFEDERACY

"THE TEN HORNS?" (Ezekiel 38)

1. **Meshech**....(Caucasus; Georgia)
2. **Tubal**.....(Armenia; Kutaisi)
3. **Persia**.....(Iran)
4. **Ethiopia**.....(Ethiopia)
5. **Libya**.....(Libya, Egypt)
6. **Gomer**.....(Turkey)
7. **Togarmah**..(Northern Iraq)

"...and three of the first horns were plucked up..." Daniel 7:8 (p.p. Eze 38:13)

8. **Sheba**.....(Sudan)
9. **Dedan**.....(United Arab Emirates)
10. **Tarshish**.....(Spain)

Now by chance did you happen to notice how many of Gog's confederates mentioned in Ezekiel 38 above come from the descendants of Noah? That is a trick question you know. Historically Genesis chapter ten contains what is known as The Table of Nations, which shows the genealogies of Noah's sons: Japheth, Ham, and Shem. You know it is really ironic—no shocking—to think that all these godless nations who will agree to attract Israel in these latter days, come forth from the same group of people God once considered righteous enough to save from the flood. "Oh how the mighty have fallen," again, and again, and again, and it looks like this pattern of falling is going to continue right up until the White Throne Judgment, henceforth to be known as the "WTJ." This is why we must understand that total sanctification is the Christian's only true deliverance from deception. You see it is not going to be enough to just make it into this next dispensation, for the Bible tells us that many ("as the sand of the sea": Rev 20:8) are going to forsake their salvation by the end of the next millennium.

We are told that most of **Gog's iron curtain Islamic nations** will begin their assault on the State of Israel and God's people during the **great tribulation**, which must include first attacking Israel's guardian nation: the USA! Amazingly though we find out it is GOD who actually sends these aggressor nations to fight against His people and America:

"And thou [Gog] shalt come up against **my people** of Israel, **as a cloud** to cover the land; it shall be in **the latter days** [Joel 2:2], and I will bring thee against **my land**, that the heathen may know me, when I shall be sanctified [set apart as a tool of judgment] in thee, **O Gog**, before their eyes. Thus saith the Lord GOD; Art thou he of whom I have spoken in old time by my servants the prophets of Israel, which prophesied in those days many years that **I** would bring **thee** [Gog] against **them**." Ezekiel 38:16-17

Vision #1: The Four Great Beasts

Here again the four great beasts spoken of in Daniel chapter 7 are actually showing the same thing Nebuchadnezzar's dream revealed only using different typologies. As previously stated we are only concerned with the fourth beast (the fourth kingdom), and more specifically its ten horns (world leaders) and the "eleventh" that comes up afterwards. It should be mentioned here for those who do not know that when the Bible speaks of "horns," it is speaking of power and authority in one form or another; usually **governmental**, **militaristic**, or even **religious**. Of course one will find that behind every person in power there is a prince of a palatium in high places. The Bible says in Daniel 7:7 that this last "beast" (governmental system of man + subjects) will be unlike any the world has ever seen. That is because these ten leaders will not only unite to accomplish their objectives, but they will abolish their individual sovereignties in order to submit to the one Little Horn. Thus the Bible tells us this last ruling entity will not contain individual sovereign nations as was always in the past, but they (**the ten horn nations** + **the Pope**) will (at least at the beginning of their **confederacy**) collectively wield their power as one new **super-nation** that seeks to enslave the world. Later its goal (appointed

from GOD) will be to destroy what Revelation 17 calls **THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH** "**Mystery Babylon the Great**." This is what the world calls "**organized religions**."

The **new world (politically correct) order**, which will have been the **unrepentant sinners'** only hope, will begin to fall apart at the seams once **Gog** (so ordered by the False Prophet) finishes with the true Christians. I believe at first "**the vile person**" (aka, "**the beast from the earth**": Rev 13:11) in Daniel 11:21, will pretend he too wants the new world order to work, but inwardly he will begin to change things very quickly for the worse. Study Hitler if you want a taste of how this works. You know it is really amazing how some of the world's evillest leaders actually started off as little nobodies. Hitler was a little nobody in a world that saw little or no use for him in his early years. And just as Hitler started with an obscure past (as far as the world scene was concerned), it seems this may be what is meant when the **eleventh horn** is referred to as "**a little horn**" (meaning small in power).

The final Ten horn government (the 1st Beast from the sea: Gog, in Rev 13 + followers) will more than likely be kept in the shadows by Satan until the last minute. Although the little horn ruler (**the king of fierce countenance: the man of sin**) will more than likely end up being the main force controlling the world during the **42-months** (because Satan will enter into him), and that which immediately follows: the "**Indignation**"/"**vials**": the **43rd-month**. Additionally, the Bible gives him the allegoric title of "**The False Prophet**"/**the Pope** (the 2nd individual **Beast** in Rev 13), because he will be able to control the **religious masses** through **false miracles** and by proclaiming himself as God (Dan 11:36).

As mentioned earlier, one of the places these two "beasts" are found is in Revelation Chapter 13. They are described as the beast from "**the sea**," which is the **beast nature** in the world combined with the **beast** that arises from "**the earth**" with "**two horns like a Lamb**." To understand this all we have to do is to look at what Yeshua's "**two horns**" of power would have represented: the "**Spirit**" & "**the Word**." In other words, this "**false prophet**" beast will even try to proclaim that he is the true "**Lamb of God**," but this one will "speak as a dragon." I personally believe this man will be somewhat of a hybrid of Alexander the Great. If you know your history, you might remember some of the supernatural things that **Alexander The Great** was reported to have done. Things like being miraculously healed of mortal war wounds that should have brought instant death to any man. It may even be that the other seven remaining horns yield their authority to this **2nd beast** because he is able to, and has the means to, control the masses through **false fire** (satanic anointing) and great wealth. Remember, it is this **2nd beast from the earth** that is given the power to force all people great and small "to **worship** the **first beast**" (**nature**)—or die! Basically, when **this religious beast** forces people to "make an **image of the beast**," he is forcing them to forsake the true God and create in their natures a **nature of flesh; pure humanity (666)**, a heart void of God. Finally we need to look at the chronology shown in Daniel 7, since it seems to contain such a major element of the dreams in Daniel:

"I beheld, and the **same horn** made war with the **saints**, and prevailed against them; UNTIL the Ancient of days came [**Armageddon**: Dan 7:11-12; Rev 19], and judgment was given to the saints of the most High; and the time came that the saints possessed the **kingdom**."
Daniel 7:21-22

"And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they **shall be given into his hand UNTIL a time and times and the dividing of time** [1+2+1/2 years: 3.5-years; "a time"= 1-year in the Bible: Dan 12:7]. **But the judgment shall sit**, and they shall **take away his dominion, to consume and to destroy it unto the end**." Daniel 7:25-26

This means there is coming approximately a **"three and one half year period"** (Rev 12:14: the last half of Daniel's seventieth week which Jesus left for the people to come) in which some of the saints (those who followed the Lamb...) will be given the power to bring forth a certain measure of judgment upon wickedness, and to expose the beasts of the earth and the Babylonish system for what it is. Although it says in Daniel 8:25 that he (**the king of fierce countenance**) shall be broken without hands, which tells me that "GOD Himself" will have the honor of destroying this **destroyer of nations**. I believe the Bible tells us he and his **troops** will suffer the same fate as "Korah" and his lackies did:

"But if the LORD make a new thing, and the earth open her mouth, and swallow them up, with all that appertain unto them, and they go down quick into the pit; then ye shall understand that these men have provoked the LORD. And it came to pass, as he had made an end of speaking all these words, that the ground clave asunder that was under them: And the earth opened her mouth, and swallowed them up, and their houses, and all the men that appertained unto Korah, and all their goods. They, and all that appertained to them, went down alive into the pit, and the earth closed upon them: and they perished from among the congregation."
Numbers 16:30-33

"And the serpent cast out of his mouth **water as a flood** [this is army troops] after the woman, that he might cause her to be carried away of the flood. And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth." Revelation 12:15-16

"And there were voices, and thunders, and lightnings; and there was **a great earthquake**, such as was not since men were upon the earth, so mighty an earthquake, and so great. And the great city was divided into three parts, and the cities of **the nations fell**: and great Babylon came in remembrance before God, to give unto her **the cup of the wine of the fierceness of his wrath**." Revelation 16:18-19

"And I saw **the beast**, and the **kings of the earth**, and their **armies**, gathered together to make **war** against **him** that sat on the horse, and against **his army**. And **the beast** was taken, and with him **the false prophet [the Pope]** that wrought **miracles** before him, with which he deceived them that had received the **mark of the beast**, and them that worshipped his image. These both were cast alive into **a lake of fire burning with brimstone.**" Revelation 19:19-20

Vision #2: The Ram & The He (rough)-Goat

Once again, the vision Daniel had concerning "the ram," "the he-goat," and "the little horn," seems to mirror the other two symbolic renderings found in the book of Daniel for this same prophetic time period. Only this time we are given a little more detail concerning the timing of certain events. Actually there are many specific times given in Daniel and Revelation that relate to many of the prophetic end-time judgments that are about to come upon the world. Daniel himself was very interested in knowing the timing of these events and it seems the messengers in his visions were authorized to give Daniel a few of those answers. It appears most of the references in the book of Daniel point to that which is called "**the great tribulation**" and the time "**immediately after** the **tribulation** of those days," which again is thoroughly discussed in the *Seventh Millennium PDF* download. Please go to The Great Tribulation Period page to see these time periods laid out in greater detail.
